

Application for Housing

2021-2022

Aldersgate

Students Living in Intentional Community

Sponsored through Wesley Foundation at Purdue and located at 401 N. Salisbury,
West Lafayette IN 47906

Aldersgate is a house for up to 13 students to live in community. Open to people of any faith, we have single bedrooms and larger double bedroom. Some rooms have their own bathroom, while others share a bathroom (8 total bathrooms in the house). In addition the house has multiple common rooms and kitchens that residents share. We offer 10-month leases, 12-month leases, and flexible summer leases. In addition to a lease, all residents are expected to attend a weekly house meal/meeting, take turns preparing a meal (once per semester) for our weekly gathering, and help clean the common areas. We also have a covenant we agree to follow (see below) as a faith-sponsored community. If you are not sure you can agree to this covenant, this may not be the right place for you.
